Dill & Cream Cheese Scramble Eggs

Serves 4

3 tbsp. butter, unsalted
2 slices bread, cut into small cubes
8 eggs, beaten
2 tbsp. milk
5 oz. (155g) cream cheese, cut into cubes, at room temperature
2 tbsp. fresh dill, chopped
salt & pepper

What you need to do

1. Melt 1 tablespoon of the butter in a non-stick pot over a medium-high heat. Add the bread cubes, season with salt and pepper and cook, stirring often, until the bread turns golden brown. Transfer the croutons to a plate lined with kitchen paper and set aside.
2. In the same pot, melt the remaining 2 tablespoons of butter. Beat the eggs with the milk and season with salt and pepper. Pour into the pot and cook without stirring for 1 minute. Then begin gently stirring the eggs, allowing the uncooked eggs to run to the bottom of the pan.
3. Cook the eggs until they are almost set, approximately 3 minutes, then stir in the cream cheese and freshly chopped dill. Continue to cook for a further minute until the eggs have set. Divide the eggs between 4 plates, top with the croutons and serve immediately.
